🎨 3D ART 🎨

✨ Create Something You're Proud Of ✨

FULL YEAR • HOLY REDEEMER HIGH SCHOOL

🖌️ WHAT WE MAKE	🎯 YOUR GOAL	💪 YOU BRING
Sculptures, soft builds, wearables, masks & mixed-media pieces using clay, wire, fabric, cardboard & found objects	Walk away with a capstone piece YOU are genuinely proud of	Apron • Closed-toe shoes • Willingness to try & get messy

⚡ YOUR LEARNING JOURNEY

🧠 **UNDERSTAND** Form, space, balance & proportion in 3D work

💪 **BUILD** Using hand-building, sewing, carving, casting & assemblage

✨ **CREATE** Original artwork that's authentically YOU

🤝 **COLLABORATE** Give & receive feedback with honesty & kindness

📖 **DOCUMENT** Your creative process from sketch to finished piece

🏆 **PRESENT** Your work with confidence & pride

📊 HOW YOU'LL BE GRADED

50%	25%	15%	10%
🎨 Finished Work	🔥 Process & Effort	💭 Reflection	✅ Participation

⭐ **A: 90–100% B: 80–89% C: 70–79% D: 60–69% F: Below 60%**

📈 YOUR YEAR — UNIT BY UNIT

UNIT 1: Foundations & Hand-Building *(Weeks 1–4)*
🏺 Intro to 3D thinking, basic hand-building techniques & surface design

UNIT 2: Creature Design & Soft Sculpture *(Weeks 5–10)*
🧸 Character design, pattern-making, sewing & wire sculpture

UNIT 3: Architecture & Wearable Art *(Weeks 11–16)*
🏠 Slab construction, structural design & body-as-form exploration

UNIT 4: Relief & Character Design *(Weeks 17–22)*
🎭 Relief sculpture, texture, armature building & mask-making

UNIT 5: Assemblage & Craft *(Weeks 23–28)*
🔩 Found-object composition, carving, casting & finishing techniques

UNIT 6: Personal Monument & Showcase *(Weeks 29–36)*
🗽 Student-choice capstone — represent who you are in 3D

⚡ **EXPECTATIONS** 🔒 Be safe • 🤝 Be respectful • ✊ Be responsible • 🎨 Be creative
See the full Classroom Expectations & Procedures for details.

📧 **NEED SOMETHING?** 💌 Email: [your email] | 🎨 Stop by the studio | 💬 Talk to me anytime

✨ You don't have to be "good" at art to be here. You just have to be willing to try, take feedback, and put in effort. Every artist started as a beginner. Mistakes? That's where learning happens. Let's go. 🚀
