⚠️ PROFESSIONAL BOUNDARIES

I care about you as students & humans. AND I have professional boundaries that make this a healthy classroom for everyone.

🔒 I'm your TEACHER, not your friend, therapist, parent, or life coach.
🔒 If you're struggling with something personal, there are trained professionals to help — I'll help you connect with them.
🔒 I keep my personal life separate from my professional life.
🔒 **I respect you as students. Please respect me as a professional.**

🎵 ABOUT THE MUSIC & VIBE

I like chill music. We'll listen to stuff that helps you create. BUT:
🔊 No explicit lyrics • 🔊 Nothing offensive • 🔊 Music is background, not a distraction
🔊 When I need your attention, music stops • 🔊 You can suggest songs — I have final call
Chill vibe ≠ no structure. It means we're focused, respectful, and everyone can do their best work. ✨

⚖️ IF EXPECTATIONS AREN'T MET

1️⃣ **1st time:** Private conversation. You know what went wrong. We fix it.
2️⃣ **2nd time:** Parent/guardian contact. I'll explain what's happening.
3️⃣ **3rd time:** Referral to administration. Not my choice anymore.
🚨 **Safety:** Immediate parent contact & possible removal. No warnings.

💚 THE REAL TALK 💚

If you're going through something hard, I'm here to point you to the right people — that's part of caring. My job is to teach you art and help you find your creative voice. Let's make something great together. 🎨
