🎨 Visual Art I Studio Rules

Let's build a creative, respectful space together

📱 No Phone Use

Your phone stays in your backpack or locker during class. This keeps you focused on your creative work and respects the learning environment for everyone.

🤝 Respect Everyone

Treat this classroom and your classmates with kindness. Listen when others are speaking. Don't mock work. Be someone people want to create with.

⚠️ Professional Boundaries

I'm your teacher, not your friend or therapist. I care about you and want you to succeed, but I have professional limits. If you're struggling, I'll help connect you with a counselor or trusted adult who can really help. My job is to teach you art and help you find your creative voice.

✅ DO's — Build This Culture

- [ ] Show up on time and ready to create
- [ ] Clean up your supplies and workspace before leaving
- [ ] Ask questions if you're confused or need help

- [ ] Try techniques even if they feel uncomfortable at first
- [ ] Give honest, kind feedback when peers ask for it
- [ ] Celebrate when classmates finish a project
- [ ] Tell me if you're struggling so I can help

❌ DON'Ts — What Derails Us

- [ ] Don't use your phone or listen to music on devices
- [ ] Don't be late or leave early without permission
- [ ] Don't interrupt classmates when they're working or sharing
- [ ] Don't mock other people's work or ideas
- [ ] Don't touch supplies or projects that aren't yours
- [ ] Don't use materials carelessly or leave messes
- [ ] Don't treat me like a friend or try to overshare personal problems
- [ ] Don't assume silence means everything is fine — speak up if you need support
